Masterclass
Kitchens

We would like to take this opportunity of saying how pleased we are with the result, excellent.

Also we would like to compliment Darren on his workmanship; he was an exemplary workman - considerate, quiet and checked our requirements throughout the job.

A long overdue thanks to you and your team! We are both thrilled and delighted with our new kitchen - the design has made a huge difference and certainly has the wow factor.

Receiving lots of compliments from friends and family and of course we are passing on your name. Many thanks to Darren for all his hard work - he's done a lovely job. Thanks too to Craig for all his patience with the boiler, and not forgetting Damian for helping us choose the design. Very satisfied customers!

OUR SERVICES

At PB Kitchens & Bathrooms, we craft stunning, bespoke interiors with precision. Providing a first-class service is at the heart of everything we do.

We offer a fully project managed design and installation service to our clients which includes small building works, plumbing, electrics, tiling, flooring and decorating.

We use our own expert installations team which is overseen by our Installation Manager to absolutely guarantee every project is completed to the highest possible standard. We work with only the very best local tradesmen for our projects, meaning you don't have to deal with the stress and strain of sourcing your own tradesmen. Absolutely every aspect of your development is seamlessly managed from start to finish.

If you'd like to find out more about how we can help with your project or the range of services we provide, simply contact us today by calling our local Seaton showroom or by visiting our website...
